Shooting Star

Information

Shooting Star is our Gianetti 64, a sailing yacht available for crewed charters throughout Greece.

Refined Italian styling and elegant luxury meet versatility and performance on this unique blue water cruiser offering hospitality and sailing enjoyment of the highest level. Her contemporary, airy interior is flooded by ample natural light and her generous layout offers comfortable accommodation for up to 10 guests in fully air conditioned cabins with en-suite facilities while her two forward double cabins may be converted to one full beam master suite. Her aggressive hull lines and contemporary aesthetics made her the yacht of choice for the filming of a recent international tourism tv spot for Greece.

Guests will find plenty of teak deck areas to relax on and a main cockpit located forward of the dual helms featuring seating that is amazingly spacious for a monohull sailing yacht, ideal for alfresco dining, lounging and entertainment while fabulous deck space is also available foredeck with double sunpads that sun lovers will appreciate!

Specifications
